**NEMESIS**

Cijenjeni sportski prijatelji, dragi igrači,

Pandemija COVID-19 izazvala je velike preokrete u našim zajednicama i životima. Teško je boriti se protiv nevidljivog protivnika ali vjerujem da možemo izaći kao pobjednici ako se svi budemo ponašali odgovorno i disciplinovano. Sada, kada je ako možemo reći, akutna faza pandemije prošla, moramo razmišljati kako da se sport vrati na što manje traumatičan način za sve učesnike.

Za sada pravimo male korake, nastojeći i dalje, veoma oprezno, da organizujemo povratak fudbala na naše terene. Uz solidarnost i razumijevanje klubova, poduzimamo sve moguće mjere u cilju zaštite zdravlja svih učesnika na utakmicama u takmičenjima koje organizuje NS/FS BiH.

Svjesni smo da je mnogo izazova pred nama, u organizacionom ali i u takmičarskom dijelu i da se fudbal ali i mi lično moramo prilagoditi uticaju koji COVID-19 još uvijek ima. Nakon uspješnog početka nacionalnog prvenstva, u ovom drugom izdanju UEFA Lige nacija, očekujemo nas ozbiljni protivnici i nova dokazivanja.

Poslije gostovanja u Italiji na domaćem terenu čekamo selekciju Poljske. Zadovoljstvo mi je pozdraviti u ime NS/FS BiH naše goste, igrače i delegaciju Poljske, službene UEFA/FIFA predstavnike kao i sponzore i partnere Saveza.

Za potpun doživljaj i uživanje u fudbalskoj predstavi svima će nedostajati podrška sa tribina. Međutim, još uvijek moramo biti oprezni i poštovati sve epidemiološke preporuke nadležnih institucija u našoj zemlji.

Optimista sam i vjerujem da će se uskoro navijači vratiti na stadione jer oni daju posebnu draž cijelom fudbalu. Dok se to ne desi, ostaje nam iskrena želja i ubjeđenje da će naši momci izaći na teren sa neskrivenom odlučnošću da postignu rezultat koji bi nas sve razveselio. Od izuzetne važnosti je i timski duh, koji bi bez obzira na kvalitet Poljske selekcije, mogao biti presudan za osvajanje tri boda.

Na kraju, prva reprezentativna utakmica na domaćem terenu, nakon ove globalne pandemije, od svih nas iziskuje posebno jedinstvo, solidarnost i posvećenost, kako bi susret između reprezentacija BiH i Poljske, protekao u duhu fer-play-a i uz puno poštovanje svih protokola.

Predsjednik NS/FS BiH  
Elvedin Begić

Dear sports friends, dear players,

The COVID-19 pandemic has caused major turnovers in our communities and lives. It is difficult to fight an invisible adversary, but I believe we can emerge victorious if we all act responsibly and disciplinal. Now that, if we can say, the acute phase of the pandemic has passed, we must think about how to return the sport in the least traumatic way possible for all participants.

For now, we are making small steps, trying to continue, very carefully, to organize the return of football to our pitches. With the solidarity and understanding of the clubs, we take all possible measures, in order to protect the health of all participants in matches of competitions organized by the FF BH.

We are aware that there are many challenges ahead of us, both in the organizational and in the competitive part, and that football, but we personally also, must adapt to the influence that COVID-19 still has. After the successful start of the national championship, in this second edition of the UEFA Nations League, serious opponents and new proving await us.

After the visit to Italy, we are waiting for the national team of Poland at home. It is my pleasure to greet on behalf of the FF BH our guests, players and the Polish delegation, the UEFA/FIFA official representatives, as well as sponsors and partners of the Federation.

For a complete experience and enjoyment of a football show, everyone will lack support from the stands. However, we still need to be careful and respect all the epidemiological recommendations of the competent institutions in our country.

I am an optimist and I believe that the fans will return to the stadiums soon, because they give a special charm to the whole football. Until that happens, we are left with a sincere desire and conviction that our guys will go out on the pitch with an undisputed determination to achieve a result that would make us all happy. The team spirit is also extremely important, which, regardless of the quality of the Polish national team, could be crucial for winning three points.

In the end, the first national team match at home, after this global pandemic, requires special unity, solidarity and commitment from all of us, so that the match between the national teams of BH and Poland takes place in the fair-play spirit and with full respect of all protocols.

Elvedin Begić
