PREDATOR

NEMESIS

Poštovani sportski prijatelji,

Situacija u kojoj se zbog korona virusa, nalazi cijeli svijet primorala nas je da se prilagodimo i nastavimo raditi i živjeti u novim okolnostima. U godini koju je obilježila globalna pandemija naučili smo da su solidarnost, dialog i razumijevanje ključni faktori za lakše suočavanje sa novim izazovima i njihovo savladavanje.

Nije bilo lako donijeti odluku da se nastavi takmičenje u Premijer ligi, niti je lako organizovati kampove, seminare, takmičenja ostalih selekcija a posebno utakmice „A“ reprezentacije. U normalnim okolnostima za planiranje i održavanje svih ovih događaja imamo dovoljno vremena. Međutim, bez obzira na sve teškoće i ograničernja koja donose, sasvim opravdane odluke nadležnih institucija, uspjeli smo pokrenuti novu sezonu i privesti kraju nastupe u ovogodišnjim UEFA takmičenjima.

Ako govorimo o rezultatima, onda je sasvim jasno da nismo ispunili cilj. To je bio plasman na EURO ali izgleda da organizaciono ali ni igrački još nismo dorasli tom zadatku. Naravno, dio odgovornosti preuzimamo i mi kao rukovodstvo Saveza. Možda smo mogli donositi drugačije odluke, ali je pitanje koliko bi to uticalo na igru našeg tima. U svakom slučaju vrijeme je da svedemo račune i, vidimo na koji način ćemo trasirati put za nove generacije mladih i talentovanih igrača, koji će jednog dana ponovo biti na završnici evropskog ili svjetskog prvenstva.

Ostala je još jedna utakmica u okviru UEFA Lige nacija, i to sa selekcijom Italije. Veliki protivnik za dostojanstven oproštaj od ovogodišnjeg reprezentativnog nastupa na međunarodnoj sceni. Vjerujem da su naši igrači svjesni toga i da će nam pružiti jednu spektakularnu nogometnu predstavu na stadionu „Grbavica“ u Sarajevu.

Na kraju, kao Predsjednik NS/FS BiH, pozdravljam drage goste iz Italije, igrače i rukovodstva obje reprezentacije, kao i službene predstavnike UEFA/FIFA-e. Uz želju da se večerašnji susret odigra u duhu „fair-play-a“, nepochodno je da se svi pridržavamo odluka i protokola nadležnih institucija vezanih za suzbijanje pandemije Covid 19.

Predsjednik NS/FS BiH
Elvedin Begić

Dear sports friends,

The situation in which, due to the coronavirus, there is the whole world, has forced us to adapt and continue to work and live in new circumstances. In the year marked by the global pandemic, we have learned that solidarity, dialogue and understanding are key factors in making it easier to face new challenges and overcome them.

It was not easy to make a decision to continue the competition in the Premier League, nor is it easy to organize

camps, seminars, competitions of other national teams, and especially matches of the "A" national team. Under normal circumstances, we have enough time to plan and hold all these events. However, despite all the difficulties and limitations under which completely justified decisions of the competent institutions were brought, we managed to start a new season and bring to an end the performances in this year's UEFA competitions.

If we talk about the results, then it is quite clear that we have not fulfilled the goal. It was a qualification for the EURO, but it seems that we have not yet reached that task organizationally or playfully. Of course, we as the leadership of the Federation take part of the responsibility. We may have been able to make different decisions, but the question is how much that would affect the game of our team. In any case, it is time to sum up the results and see how we will pave the way for new generations of young and talented players, who will one day be at the final stage of the European Championship or the World Cup again.

There is one more match left within the UEFA Nations League, with the national team of Italy. It is a great opponent for a dignified farewell from this year's national team appearance on the international scene. I believe that our players are aware of that and that they will provide us with a spectacular football show at the Grbavica Stadium in Sarajevo.

Finally, as the President of the FF BH, I greet the dear guests from Italy, the players and management of both national teams, as well as the official representatives of UEFA / FIFA. With the desire for tonight's match to take place in the spirit of "fair-play", it is necessary that we all adhere to the decisions and protocols of the competent institutions related to the suppression of the Covid-19 pandemic.
